

Blue Bridge

Restrictions and Guidelines

- The OSE must have a Site-map showing how the event will be laid out.
- All sound checks must be conducted below 85 decibels.
- Any tape, rope, signs, wire or hangers which have been placed on the ground, buildings, columns, windows, poles, etc., will be completely removed after the event. If it is not, you will be charged out of your deposit.
- If cooking with oil, vendors must have something underneath the cooking area to prevent grease from accumulating on the surface/ground. If there is grease left behind, your event will have to power wash any surface left uncleaned.
- The venue must be cleaned and left the way you found it.

Tents:

- There are no stakes allowed, you must use water barrels for any tents used..

Vehicles:

- All vehicles must have a permit. Make sure all staff/volunteers have pass from Parking Services in their car window before parking (even in front of hooded meters) or they will be ticketed if they do not follow standard procedures.
- Only vehicles allowed are those picking up or dropping off items during set up/take down. Organizers are required to develop a list of authorized vendors and a timetable that

illustrates arrival and departure times for vendors and provide it to the OSE.

- You may either park in public ramp on Front St. or the ramp on Louis/Campou.

Electrical: (see map on back)

- The bridge has a 50 amp 240V and 20 amp 110V outlets on each of the vertical posts within each section of the bridge south side.

***All other rules still apply that are posted within the park**
